2011 Seminar Synopsis

The Counseling Staff of APERS will be presenting seminars for interested members during calendar year 2010 at various locations throughout the state. These programs will provide basic retirement information to include, but not be limited to, eligibility for membership, reciprocity, service credit, purchases of various types of service, vesting, benefits, options, DROP and PAW, as well as forms and deadlines.

“Getting the Picture” (1/2 day presentations) Morning presentations will begin at **9:00 a.m.** Afternoon presentations will begin at **1:00 p.m.** This seminar will provide basic information on retirement and the process of retiring. In addition to APERS counseling personnel, there will be a representative from Social Security to discuss their benefits and eligibility.

“The Entire Retirement Process” (full day of presentations) will also begin at **9:00 a.m.** In addition to APERS and Social Security, this seminar will include a financial planner, and an attorney to discuss estate planning. If available, the regional seminars will include a representative from the Employee Benefits Division (EBD) of the Department of Finance and Administration (DFA) to address insurance issues for employees of the state and public school divisions of APERS. **(EBD will only be available at the Little Rock seminars)**

The Little Rock retirement seminars will include a representative from **CareLink**. CareLink is a non-profit organization whose mission is to assist retirees and family caregivers with information and resources to help improve the quality of life. They can help with information for Medicare, and the part D-prescription plans, etc. We look forward to having them again as a part of our program for our members.

Additional Seminars

“Financial Planning” In 2011, we will again be sponsoring sessions featuring a financial planner. This program will focus on investing for the future with explanations of available plans; and one segment will address primarily those persons in **DROP** or those who are eligible for **PAW** who will be considering different options for their distributions from these plans. Both will be in Little Rock in 2011. *****There will not be an APERS retirement presentation at this seminar.*****

“Women’s Seminar” We will have two seminars this year for women. These will be all day meetings to focus on retirement and related issues for our female members. ***Please Note Seating is limited*** Register early! **Because of additional speakers, start time may be different. Please note the time on the registration form**

Other Information

If you are pre-registering for any of the 2011 sessions, please submit your form by the applicable deadline. We do not furnish individual estimates at the seminars, but if you require a certificate of attendance, please make sure your registration form is marked accordingly. Pre-registering is not required, but appreciated.

The Counseling Staff encourages all members to attend the appropriate seminar for their own circumstances. You will come away from the meeting with useful information about APERS, Social Security and other important components of your retirement.
