## 2009 Seminar Synopsis

---

The Counseling Staff of APERS will be presenting seminars for interested members during calendar year 2009 at various locations throughout the state. These programs will provide basic retirement information to include, but not be limited to, eligibility for membership, reciprocity, service credit, purchases of various types of service, vesting, benefits, options, DROP and PAW, as well as forms and deadlines.

**“Getting the Picture”** (morning presentations only) will begin at **9:00 a.m.** This seminar will provide basic information on retirement and the process of retiring. In addition to APERS counseling personnel, there will be a representative from Social Security to discuss their benefits and eligibility.

**“The Entire Retirement Process”** (full day of presentations) will also begin at **9:00 a.m.** In addition to APERS and Social Security, this seminar will include a financial planner, and an attorney to discuss estate planning. If available, the regional seminars will include a representative from the Employee Benefits Division (EBD) of the Department of Finance and Administration (DFA) to address insurance issues for employees of the state and public school divisions of APERS.

**The Little Rock retirement seminars\*** will include a representative from **CareLink**. CareLink is a non-profit organization whose mission is to assist retirees and family caregivers with information and resources to help improve the quality of life. They can help with information for Medicare, and the part D-prescription plans, etc. We look forward to having them again as a part of our program for our members. *\*\*\* The local offices of AR. Area On Aging will be available for some of the seminars outside of the Little Rock area.*

Both will be in Little Rock in 2009. **\*\*\*There will not be an APERS retirement presentation at this seminar.\*\*\***

**“Women’s Seminar”** We will have a seminar twice during this year for women.
